

Köping International

Table Tennis Academy

General Course

– Profile –

Leadership within young sports Table Tennis

**Here You have the opportunity to combine Your
interest of sports with studies in Sweden**

The Course will last in Köping during 38 weeks, from
August 27 2007 until June 15 2008

Included in the course are general subjects such as
Swedish, English and Social studies.

There may also be a possibility to study other languages.

Included in the sports profile is that You can try different
sports, and You will get training in leadership. In many
parts of the leadership there is a focus on table tennis.
